

AN ACTIVATE LONDON PROJECT

Challenge Circle Anglia

Challenge Circle Anglia

aims to raise levels of physical activity in all age ranges and encourage healthy eating and health awareness.

The Project is for people of all age groups including families, lone parents, young people and older people living in social housing. It will also include events which encourage disabled people to take part.

Events planned over the duration of the three year project include a series of traditional summer sports, family fun days and outings to other venues.

Forthcoming events for 2009 include:

- * May Half-Term
Priory Court Junior Sports Day
- * July
Priory Court - Sports & Family Fun Day
- * August or September
Pan-London Activate Partners Sports Day

These events have been created to foster estate-wide community cohesion, identity and conviviality through fun, memorable days in which a broad range of people can participate in and enjoy.
