

Garden Competition

Residents pulled out all the stops this year to give the judges a particularly difficult task judging the wonderful entries in the Russet Residents' Federation Garden Competition. An impressive 44 gardens were entered and judged on two glorious days in July.

The garden competition gives every resident the chance to show off their gardens however large or small, the categories include baskets and containers, vegetables and community gardens so everyone can join in.

This year's judges were John Figgett, Kath Perry and Jon Spencer all officers from Russet Residents' Federation who sponsor the event.
