How to access

Whigital is our **free** iPhone App service for our residents

To access Looking Local, go to the App Store & search for Looking Local, it's free to download.

By downloading Whigital you will be able to access many useful services such as:

- Report a repair
- Report anti social behaviour
- Make a complaint
- Give a compliment
- View dates for estate inspections
- Request a call back
- Read latest news

Once you have accessed Wherry's page once, you can link to it through the **Favourites** option
